Remember that other than the "Essential" supplies on page 2, you don't need everything listed to transform your art into useable keepsakes. **Use what you already** have and supplement with what feels inspiring to try.

View the "Suggested Supplies" and "Choosing collage papers & a color palette" videos first, as well as review the Collage Paper Library options to decide which papers (if any) you want to create.

**Please note:** Some of these supplies have affiliate links, which support the production of COLLAGE KEEPSAKE without costing you anything more.
